Fund Objectives

The Purpose of the fund is to provide investors with an opportunity to participate in a wide range of diversified portfolios of equity stocks that are listed or about to be listed on the stock exchange primarily in the MENA region. The fund will seek to achieve medium to long term capital appreciation and earn investment income from a total return in excess of appropriate bench mark. The fund generally intends to allocate its investment among several investment vehicles, the MENA market, and trading in the MENA market, either through managed funds or portfolios.
